CHEERLEADING PROGRAM OPTIONS

COMPETITIVE NOVICE

Competitive novice is a 1/2 year cheer program. This program is perfect for athletes entering the world of cheerleading or those who want a lower commitment! No experience necessary. There are two sessions: May to November and November to May. Choose 1 session or both. Practice is once a week for 1.5 hours. Novice athletes will learn a 1.5 minute routine. Athletes will perform at 3 competition events per session.

PREMIER PREP CHEER

Premier Prep Teams are full year teams teams that practice twice a week for 2 hours each and are required to attend choreography camp, and a few extra practices throughout the season for routine upgrades. Athletes are also **required** to take 1 tumbling class per week. Athletes will learn and compete a 2-minute routine. Our premier prep teams are more competitive than the standard prep team. These teams are for athletes with an elite hard working mindset but perhaps do not have the skills or fit into the age range of an elite team. Premier prep athletes will compete at 6 competitions throughout the season and 1 large end of season event. Cheer practices are **mandatory** and tumbling training is **mandatory**.

ELITE CHEER

Our Elite Program is our most competitive program. This is a full year program starting in May. Teams practice twice a week for 2 hours and are required to attend choreography camp, and a few extra practices throughout the season for routine upgrades. 1 tumbling class per week is also **required**. Elite athletes will compete a 2 1/2 minute routine at 6 events throughout the year and 1 large end of season event. Cheer practices are **mandatory** and tumbling training is **mandatory**. This team is for athletes with a positive attitude, a drive to work hard, and be the best they can be.
