Program Options

PREMIER PREP CHEER

The Premier Prep Program is the stepping stone between Prep and Elite. Although experience isn't necessary, it is built for those with previous experience on a Prep team or will require an evaluation. This is similar to a Prep team, however Premier Prep Teams are full year teams Teams that practice twice a week for 2 hours each and are required to attend choreography camp, and a few extra practices throughout the season for routine upgrades. Athletes are also **required** to take 1 tumbling class per week. Athletes will learn and compete a 2-minute routine. The commitments are the same to that of an Elite team and they will be treated as an elite team. This team is for athletes with a positive attitude and a drive to work hard. Prep Plus athletes will compete at 6 competitions throughout the season and 1 large end of season event. Cheer practices are **mandatory** and tumbling training is **mandatory**.

ELITE CHEER

Our Elite Program is our most competitive program. This is a full year program starting in May. Teams practice twice a week for 2 hours and are required to attend choreography camp, and a few extra practices throughout the season for routine upgrades. 1 tumbling class per week is also **required**. Elite athletes will compete a 2 1/2 minute routine at 6 events throughout the year and 1 large end of season event. Cheer practices are **mandatory** and tumbling training is **mandatory**. This team is for athletes with a positive attitude, a drive to work hard, and be the best they can be.
